ABSTRACT

This paper wants to explore the human life and talks about every aspect of life that people face in this world. The goal of the paper is to show the motive behind Rebecca’s attitude towards Sara’s life related to Sigmund Freud Theory. The study is conducted by using qualitative method through the study of literature, and the writer chooses movie as a media for this research. There were three theories used, they are theory of fiction element such as character, characterization and plot; psychoanalysis theory by Sigmund Freud focuses on the three psychic zones, and ego defense mechanism theory. From the analysis process, it is found that Rebecca suffers schizophrenia disease that cause the sufferer cannot have a good relationship within the normal social life. The sufferer has a bad experienced in the past, therefore she becomes a psychopath girl.

Keywords: Psychoanalysis Theory, Defense Mechanisms, Schizophrenia
