ABSTRACT

The goals of this paper are 1). to find out the effect of Patriarchal system to Anne’s life; 2). to analyze Elliot family’s characteristics using Marxism; 3). to find out Anne’s behavior and action using feminism theory. The writer used library research to find theories for analyzing the problem of paper. It can be concluded from the goals that 1). the effect of Patriarchal system to Anne’s life is that she needs freedom and the equality right to get independence; 2). Elliot family’s characteristic based on Marxism is they always evaluate everything related to money and authority; 3). the behavior of Anne based on feminist theory indicates that she learnt a lot from his father’s authority and become more mature in facing every problem.
