

Abstract

This paper is performed in order to observe the flow of 'Discussion Forum' in Binusmaya. The investigation includes the discourse take place in the 'Discussion Forum'. The language they – lecturer and students – use, the context and also the topic which is discussed in forum. Besides it also engages the problem concerned with the implementation of MCL (Multi Channel Learning) focus on "Discussion Forum" in Binusmaya.

In doing this research, the writer spread one hundred questionnaires into five classes at Bina Nusantara University especially students of Faculty of Letter. They are asked to answer the question regarding to "Discussion Forum" based on their point of view. The question also involves their interest towards the forum, the lecturer and the access into the forum.

From the questionnaires, it is shows that students realize that 'Discussion Forum' is interesting and is needed to support class learning – teaching process. The research is also done through interviewing some lecturers and head of ATL in order to complete the data for analyzing.

In analyzing the data collected, the writer look for some supporting theories related to the e-Learning and discourse analysis.

ACKNOWLEDGEMENT

First of all, I want to give my gratitude to my Almighty God Jesus Christ for guiding me and gracing me the strength to complete this thesis. Without Him, I have no strong foundation to keep struggling in doing this project.

My gratitude also goes to my parents who always support me in hard time and bad time. I also send my special thank for my beloved one boyfriend who always accompany me in my lonely and stressful time. Thanks a lot for your love and care.

I also thank to Mrs. Inneke Indra Dewi for her support to me, Mrs. Wiwiek Andraeni, Miss. Ruth, Mr. Wishnoe, Ms. Vicky for helping in collecting the data and sparing time for giving me their opinions and information regarding to my project.

I also send my thank to my nice and patient mentor, Mr. Gregorius Winarno who always encourage me and motivate me to do this research. You are the best mentor I have.

Thank to Mr. Johan for the information regarding to the background of Binusmaya. I would like to say thank you to Mr. Ichwan Setiadi who cheering me up with his joke when I was down.

Thank you too for my best friends; Theresia, Eirene, Olivia, both Wiwin, Mbak Wiwied, Sita, Yovita, Ria, Vecky, Budi, Henry, Junaidi, Yohanes, Desi, Andri and Albert for the great time we passed together.

Finally, this thesis is dedicated to all people I love and my redeemer Lord Jesus. Thank you for everything You have given to me. All the honor and glory just for You Jesus Amen.
