ABSTRACT

This writing concerns with the teaching of speaking English to senior high school students by using games, and also gives some theories from some experts in teaching and learning process. The example of the games are given in details. The main purpose of this writing is to provide the effective teaching method that can be useful for the teachers who wants to improve their students’ speaking ability through interesting and exciting way by using games.

Keywords: Teaching speaking, senior high school students, games.
ACKNOWLEDGMENT

First of all I would like to thank to the mighty God, Allah SWT, for His help so I can finish writing my paper.

I would like to express my gratitude to all of my lecturers at the English department, faculty of letters in Bina Nusantara University for their moral support, suggestion and kindness for Ienneke Indra Dewi, M. Hum, Dra. Wiwik Andreani, and especially Rudi Purwanto M.Ed.

Also I would like to extend my thanks to my mentor, Darna M. Appl for her guidance, patience, advice, and suggestion in writing this paper.

I have to thank to my parents especially my mom, for her encouragement and concern through the writing of my paper and my academic life, without her feel like dying.

Finally, I also thank all of my friends in English Department, especially my two lovely friends, Nisa and Dining for their various kind of assistance and support of my paper. I am glad to have you both.
